National Association of Independent Writers and Editors (NAIWE) is a professional association for writers, editors, and other publishing professionals. NAIWE exists to help members succeed, and our unique focus on creating multiple streams of income can make it happen. At NAIWE, we know that a writing or editing career isn't all about the art. It's not all about the money either. Writing and editing are about the joy of creativity, the freedom of working independently, and the fulfillment that comes from creating an authentic, abundant life, earning a living doing what you love to do. For further details of specifications and policies, please contact editor@naiwe.com.
